At The Lodge at Woodloch, choice is cultivated. Whether choosing a day packed with activities or simply relaxing, the options await.

THE BLACKMORE FARM

Come experience the sights and sounds (and tastes) of The Lodge at Woodloch's working organic farm. Just a 5-10 minute walk from the hotel, encompassed by the blue hiking & biking trail, you'll find attractions such as our vegetable garden, orchard, composting operation, mushroom logs, high tunnels, and our very own apiary.

Our farmers believe in a philosophy of giving back to the environment first before ever receiving its bounty. They say they feed everything- from the soil's microbes and earthworms, to the bees and butterflies, all the way up to the birds, deer, and yes, humans too.

This growing style and the ecology it has helped to create is open to you to explore on your own, all day every day. Please use proper garden etiquette by sticking to walkways and closing gates behind you and always dress appropriately for the season. For a more in-depth explanation of our farm, join one of our farmers during our daily tours at 2pm.

BASICS OF COMPOSTING

The Law of Conservation of Mass implies that matter cannot be created nor destroyed. Nowhere is that more evident than in the enlivening of organic material in compost. Join Sam, "The Dirt Doctor", as he lays the groundwork for proper decomposition so you can bring home the knowledge to turn your kitchen scraps and yard waste into Black Gold.

GROUNDING IN THE GARDEN

Join Stefani on a gentle tour through our farm's natural and cultivated space. Perceive your reflection in nature through grounding, breath work, and journaling.

CONVERSATIONS WITH THE DIRT DOCTOR

You can also join Sam, "The Dirt Doctor", as he hits the biggest topics and answers the most important questions in agriculture today. This week's film is *Kiss the Ground*, which discusses the movement of "Regenerative Agriculture" and how it could balance our climate, replenish water supplies, and feed the world.

When the farmers are not out in their field, you'll find them in various activities ranging from cooking demonstrations to art classes to meditative walks.
