THE BLACKMORE FARM

Come experience the sights and sounds (and tastes) of The Lodge at Woodloch's working organic farm. Just a 5-10 minute walk from the hotel, encompassed by the blue hiking & biking trail, you'll find attractions such as our vegetable garden, orchard, composting operation, mushroom logs, high tunnels, and our very own apiary.

Our farmers believe in a philosophy of giving back to the environment first before ever receiving its bounty. They say they feed everything- from the soil's microbes and earthworms, to the bees and butterflies, all the way up to the birds, deer, and yes, humans too.

This growing style and the ecology it has helped create is open to you to explore on your own, all day every day. Please use proper garden etiquette by sticking to walkways and closing gates behind you and always dress appropriately for the season.

For a more in-depth explanation of our farm, join one of our farmers for a tour Monday through Friday, between the hours 12pm-2pm. Do not hesitate to jump into a discussion if one is already underway when you arrive.

HARVEST LUNCH AT BLACKMORE FARM

Join our farmers Sam & Derrick for a rustic farm-to-table lunch experience you won't soon forget. Nearly every ingredient of this multi-course lunch is harvested the morning of, and sometimes right before your eyes. Participation is limited so please call our Hostess at x8586 to reserve your space in our weekly Sunday Harvest Lunch.

GARDEN HARVEST AT BLACKMORE FARM

Learn to pick greens, herbs and vegetables the proper way to ensure healthy plants, and bountiful harvest. Each Saturday morning, different plants will be chosen, and guests will be able to take home a bag full of fresh organic produce as well as new skills as gardeners. Cost is \$20 per person.
