## **THE BLACKMORE FARM**

Come experience the sights and sounds (and tastes) of The Lodge at Woodloch's working organic farm. Just a 5-10 minute walk from the hotel, encompassed by the blue hiking & biking trail, you'll find attractions such as our vegetable garden, orchard, composting operation, mushroom logs, high tunnels, and our very own apiary.

Our farmers believe in a philosophy of giving back to the environment first before ever receiving its bounty. They say they feed everything- from the soil's microbes and earthworms, to the bees and butterflies, all the way up to the birds, deer, and yes, humans too.

This growing style and the ecology it has helped to create is open to you to explore on your own, all day every day. Please use proper garden etiquette by sticking to walkways and closing gates behind you and always dress appropriately for the season. For a more in-depth explanation of our farm, join our farmers Monday - Saturday on one of our farm tours.

### **BASICS OF COMPOSTING**

The Law of Conservation of Mass implies that matter cannot be created nor destroyed. Nowhere is that more evident than in the enlivening of organic material in compost. Join Sam, "The Dirt Doctor", as he lays the groundwork for proper decomposition so you can bring home the knowledge to turn your kitchen scraps and yard waste into Black Gold.

### **GROUNDING IN THE GARDEN**

Join Stefani on a gentle tour through our farm's natural and cultivated space. Perceive your reflection in nature through grounding, breath work, and journaling.

### **HARVEST LUNCH (\$)**

Join the farmers for an unforgettable rustic lunch experience! The farm crew will select the harvest focus for the lunch each week and then harvest, prepare, and discuss the meal right on the deck of the Garden Shed in the middle of Blackmore Garden. There is an up-charge for the intimate lunch experience of \$35 per person. \*Blackmore Farm is a 5-10 minute walk from The Lodge at Woodloch main building. Please sign-up for this activity with our Hostess. \*Due to satellite kitchen use and the uniquely creative & themed nature of our Harvest Lunches and Garden Dinners, allergy and dietary restriction accommodations may not be possible. Please speak with a Hostess prior to making a reservation if you have an allergy or dietary restriction.

When the farmers are not out in their field, you'll find them in various activities ranging from cooking demonstrations to art classes to meditative walks.

**8:30 PM - MOVIE NIGHT**

(118 min, Garden View Room)

Join us for a viewing of *12 Mighty Orphans*. Witness the true story of the Mighty Mites, the football team of a Fort Worth orphanage who, during the Great Depression, went from playing without shoes—or even a football—to playing for the Texas state championships. The architect of their success was Rusty Russell, a legendary high school coach who shocked his colleagues by giving up a privileged position so he could teach and coach at an orphanage. Few knew Rusty's secret: that he himself was an orphan. Recognizing that his scrawny players couldn't beat the other teams with brawn, Rusty developed innovative strategies that would come to define modern football.
