Come experience the sights and sounds (and tastes) of The Lodge at Woodloch's working organic farm. Just a 5-10 minute walk from the hotel, encompassed by the blue hiking & biking trail, you'll find attractions such as our vegetable garden, orchard, composting operation, mushroom logs, high tunnels, and our very own apiary.

Our farmers believe in a philosophy of giving back to the environment first before ever receiving its bounty. They say they feed everything- from the soil's microbes and earthworms, to the bees and butterflies, all the way up to the birds, deer, and yes, humans too.

This growing style and the ecology it has helped to create is open to you to explore on your own, all day every day. Please use proper garden etiquette by sticking to walkways and closing gates behind you and always dress appropriately for the season.

Instead, a good food focusing on understanding keywords like local, organic, sustainable, grass-fed, humanely-raised, wild, GMO, and extra-virgin, which all tell a clearer story about the food we eat than its nutritional panel. A robust Q&A is included throughout the session, so everyone's burning questions will be answered.

Learn new cooking techniques, healthy and surprising immune boosting ingredients and elegant presentations. Saturday's demonstration will feature Butternut Squash Risotto with Sage Brown Butter and Arugula, Fennel, and Green Olive Salad with Blood Orange Vinaigrette.
