satori

a touchless wellness experience

“Satori,” a word used by Zen Masters to describe sudden enlightenment, is a moment of total presence and awakening to the light of our own consciousness. The Satori Wellness System offers a unique path to optimal well-being through the use of synchronized binaural sound, music, voice-guided meditation, and tactile sound projected through vibration, to impart a profound relaxation and rejuvenation response. A truly immersive touchless therapy, with precisely delivered sound frequencies, creates synchronization between the brain’s hemispheres, quieting the mind, and allowing deep relaxation and healing.

WHAT IF I NEED TO CANCEL MY APPOINTMENT?

You will need to cancel your scheduled service at least four hours prior to the scheduled start time to avoid incurring the full cost of the treatment.

WHAT HAPPENS IF I AM RUNNING LATE FOR MY SERVICE?

We encourage all guests to check in for their service 30 minutes prior to their scheduled appointment to enjoy our spa retreat. Arriving late will simply limit the time of your treatment, so that the next guest is not delayed or inconvenienced. The full cost of your treatment will still be charged.

CAN I REQUEST A CERTAIN SERVICE PROVIDER? MAY I REQUEST A MALE OR FEMALE SERVICE PROVIDER?

Yes, of course! We will always do our best to schedule you with the Service Provider you prefer. All of our therapists are trained to properly drape sheets over areas of the body not involved with the treatment. We respect and protect your privacy at all times.

SHOULD I ALERT SOMEONE IF I HAVE ANY ALLERGIES, PHYSICAL LIMITATIONS OR MEDICAL CONDITIONS THAT MIGHT IMPACT MY TREATMENT?

Yes. When scheduling your treatment please inform the Concierge of anything that may require your treatment to be customized for your safety. Our service providers cannot provide transfer assistance. Guests needing this level of assistance will require help from their traveling companion.

HOW OLD DO YOU HAVE TO BE TO RECEIVE SPA SERVICES?

Guests must be at least 16 years of age to receive spa services or use spa amenities. Due to PA state law, any guest age 16-17 is required to have a parent/guardian in the treatment room with them for the duration of all services except for salon services or facials.

SHOULD I AVOID THE SPA IF I AM PREGNANT?

Not at all. Please inform the Concierge of your pregnancy when scheduling your services as not all services are recommended for our expecting guests.

WHAT, IF ANYTHING DO I NEED TO BRING TO THE SPA?

The Lodge at Woodloch provides everything that you will need to enjoy your experience. During your visit you will receive a spa robe and slip-resistant slides to wear in our spa retreats. You will have access to a locker for your personal belongings. Most self-care and grooming products are provided for your convenience, however, if you need anything special please feel free to bring it with you. We recommend not bringing jewelry or other valuable possessions to the spa as we cannot be responsible for lost items.

WHAT DO I WEAR DURING MY SPA TREATMENT?

Most treatments are enjoyed without clothing, however if you prefer, undergarments can be worn. Please refer to alternative attire requirements that are specifically noted for any treatments that require them.
