

Tree Restaurant

Dear Guest,

Welcome to TREE Restaurant and Bar at The Lodge at Woodloch. With a mantra of “Let Nature Nurture”, TREE Restaurant and Bar features fresh dishes that are as artistic and creative as they are healthy. Seasonal menus from the kitchen and bar often feature herbs, vegetables, fruits, and berries that are grown at our Blackmore Farm, located right on property. An extensive, award-winning, sustainable wine, cocktail, and beer menu has been hand-selected and curated to compliment the menu by our Sommelier, Leslie Britt. With a goal to grow and buy locally and organically, the food and cocktail menus feature the freshest of ingredients. A wide selection of certified sustainable, organic, biodynamic, vegan, minimal intervention, low carbon, zero waste, and alcohol-free wine, beer, cider, and spirits from small family owner-operated farms highlight our menu. Our wine list has received The Wine Spectator Award for twelve consecutive years.

The team is thrilled to offer new wine selections that change with the seasons. Ask your server about the Sommelier-selected wine pairings, featured wine flights, and our progressive wine list. Alternatively, if you would simply like a recommendation from the wine list, our “Wine Slinger” is always happy to share her stories.

We hope you savor your time with us as much as we enjoy hosting you. For your convenience, a 20% gratuity and applicable state taxes are added to your bill.

Drink Well, Live Well,

Robert Baldassari
General Manager

TRADITION & TRAILBLAZERS

Most Old World Wines are labeled where the grapes are grown. These are often confusing and unfamiliar, thus leaving these wonderful wines in storage and forgotten in time. The wines below have been hand-chosen based on a philosophy that "Wine is made to go with food". These are small family-farmed wines and imported in very limited quantities. Most are unfiltered, leaving the true expression of the fruit. Flavor notes have been added to help demystify the selections.
